

JORGEN NILSSON

President, Enterprise Connect Solutions

Jorgen Nilsson is President, Enterprise Connect Solutions at Mavenir. A telecom and IT industry veteran with decades of executive leadership experience at world-renowned blue-chip companies, now leading Mavenir's global strategy to expand its Cloud Enterprise and Business Messaging Services (BMS). This by launching its omni-channel message monetization and customer engagement offering Mavenir Engage and opening up new channel partnerships to enable faster and accelerated business growth to the SME business needs.

Prior to joining Mavenir, Jorgen recently served as the first managing director for Vodafone Oman, creating from the ground up a unique company running its digital operations with open cloud, the latest technology, and a full digital customer experience. In addition to several key board chairman and advisory roles guiding and coaching leaders in their transformation of core business to a more profitable and industry-relevant position, he has held several Chief Executive Officer positions.

Early in his career, he spent more than 10 years at HP/Compaq in various global sales, marketing and operational roles before joining Ericsson, where during his 11-year tenure he served in various capacities, including Executive Vice President of Vodafone's Global Customer Unit and VP New Sales & Marketing North America. Jorgen earned his MBA from Columbia University.
