

# MIKAEL RYLANDER

SVP, GM, Radio Business Unit

Mikael Rylander is responsible for leading Mavenir's emerging 4G and 5G RAN/Radio portfolio.

Based in Sweden, Mikael has over 20 years of leadership experience in the mobile telecommunications industry, with substantial experience leading large-scale global operations including activities in GSM, WCDMA, TD-SCDMA, LTE, NR, and Transport.

Prior to joining Mavenir, Mikael enjoyed a distinguished career at Ericsson where he was most recently Ericsson's Global Head of Radio Portfolio. During his tenure at Ericsson, Mikael had the opportunity to meaningfully contribute to Ericsson's 2G, 3G, 4G and 5G initiatives including helping to bring to market Ma MIMO radios for 4G and 5G and sub 6 GHz and mmWave technologies.

Mikael has an M.Sc. in Electrical Engineering from the Royal Institute of Technology in Stockholm.
