

Santhosh Kumar

EVP & General Manager, Platform & Cloud

Santhosh Kumar has been with Mavenir since 2008, where he has played a pivotal role in the global deployment of IMS and messaging solutions for Tier-1 operators. Over his tenure, he has driven platform engineering, new product introductions, and operations across Mavenir's RAN and IMS portfolios. Most recently, he has taken on responsibility for Center of Delivery (COD) and the company's global product support organization along with Platform Engineering.

In his current role, Santhosh leads engineering, NPI (New Product Introduction), operations, COD, and global support for Mavenir's IMS, RAN, and packet core solutions.

Prior to joining Mavenir, Santhosh held engineering positions at Sonus Networks, Winphoria/Motorola Networks, and Nortel/Infosys Systems Ltd.
